Presidential Corner –Spring is on its Way

At least we can all hope, right? No more snow! With one vendor fair under our belts we “march” directly into March and our second one for the year at St. Clare hospital in Lakewood on the 10th. Our thanks to Sally Nixon from Aging and Long Term Care for her presentation at our February meeting. She is always informative and interesting. Our goal is to invite the legislators to one of our meetings in the Fall, so they can hear first hand about what our seniors are going through and what we, as health care providers, have to go through to help them.

Part of being a member of HCPC is the opportunity to be on a committee that is designed to make a difference in a senior’s life or to help our organization help others. I would like to encourage all of you to sign up for the committee that suits you and get involved. You will enjoy the experience, I guarantee it. Our next meeting is March 12th and is an opportunity for you to toot your own horn as it is a networking meeting. I look forward to seeing all of you.

Until then, make a difference to someone, today.

Warmly, Melissa Martin, President, HCPC
