President's Message

Happy New Year to everyone! It's funny to think that it was 10 years ago ALREADY that we were worrying about the year 2000 and how it would affect all the computers of the world. Well, computers kept working and life continued. In fact, time flew! As we look ahead into 2010, I would like to thank you for your membership in Pierce County Health Care Providers Council. It is really a dynamic and fun group all due to its members. I would like to ask you to think about your participation in this group and what you would like to get out of it in the coming year. Please consider joining a committee or sponsoring an event in 2010, and getting the most out of your membership. I am certain you will get more out of it than anticipated. Best wishes for a health and happy 2010! Kelly
